

Wednesday Night Derby Rules

1. **Boat Captains** will receive an email and text message from **Reel Livewell**.
2. Make sure to have the **Reel Livewell App** downloaded to your mobile device prior to the event. When the event goes live, log in using your PIN to access it. The app will list the derby under **"Fish Details Entry."** It is **highly recommended** that the **Boat Captain** logs into the app and enters fish catches.
3. On tournament day, launch your boat and head to your fishing spot ahead of time. The **Fish Details Entry** button will go live at **4:00 PM**, at which point you may put lines in the water. **Lines out at 8:00 PM**. Return to the landing immediately afterward. All catches will be verified prior to the awards ceremony at approximately **8:15 PM**.
4. **NO FISH MAY BE PLACED IN THE LIVEWELL AT ANY TIME DURING THE EVENT!**
5. **Artificial lures only. No live bait.**
6. All teams must use the official **SATT/Scheels ruler**, which must be visible in all fish photos. If you lose your ruler, you may purchase a replacement for \$25.

 - You may round up to the nearest **¼ inch** only.
 - Inches will be converted to weight using the conversion scale available in the app.
9. All fish entries must be accompanied by a photograph taken with the **Time Stamp App**. Use the **Time Stamp App** to capture a photo of your fish. **Two photos** must accompany every fish entry:
