

Wednesday Night Derby Rules

1. **Boat Captains** will receive an email and text message from **Fishing Chaos**.
2. Make sure you have the Fishing Chaos app downloaded. The derby will be listed under "Tournament." Boat Captains: log into your account and join the MNYFO Club before registering. **You will need to purchase a \$20 ticket to enter the event.**
3. On tournament day, launch your boat and head to your fishing spot ahead of time. The **Fish Details Entry** button will go live at **4:00 PM**, at which point you may put lines in the water. **Lines out at 8:00 PM**. We will allow a 15 minute buffer time for uploads, provided the time-stamp of the pic is prior to 8pm. Return to the landing immediately afterward. All catches will be verified prior to the awards ceremony at approximately **8:20 PM**.
4. **NO FISH MAY BE PLACED IN THE LIVEWELL AT ANY TIME DURING THE EVENT!**
5. **Artificial lures only. No live bait.**
6. All teams must use the official **SATT/Scheels ruler**, which must be visible in all fish photos. If your team does not have the required ruler, one will be provided to your boat captain to use throughout the season. For details, email info@mnyouthfishing.org. If you lose your ruler, you may purchase a replacement for \$25.
7. Enter each fish in the app. All fish must be **at least 12 inches** to qualify.
8. **To measure a fish:**
 - Lay the fish flat on the ruler with the mouth closed and pressed firmly against the bump board.
 - Pinch or fan the tail to the nearest **¼ inch**.
 - If the tail touches the line, round up to the next **¼ inch**.
 - You may round up to the nearest **¼ inch** only.
 - Inches will be converted to weight using the conversion scale available in the app.
9. All fish entries must be accompanied by a photograph taken with the **Time Stamp App**. Use the **Time Stamp App** to capture a photo of your fish. **Two photos** must accompany every fish entry:
 - One photo **must** clearly show the fish on the ruler, with the full fish and measurement visible.
 - The second photo should show the angler holding the fish.
 - If the photo is unclear, the entry may be disqualified.
10. **All anglers must wear life jackets at all times and be seated when the outboard engine is running. No power trolling allowed.**
11. **Boat Captains may:**
 - Operate the trolling motor
 - Net fish
 - Help tie knots
 - Remove hooks from fish
 - Enter fish catches in the app (**Strongly recommended**)
12. Boat captains **CANNOT** fish. Only the 2 youth anglers are allowed to fish and only 3 occupants/boat. 1 Adult Boat Captain and 2 youth anglers are allowed per TBF Rules.
